Overview

The United States Space Force (USSF) Space Systems Command, Enterprise Sourcing Division (SSC/PKA) has released three (3) Request For Quotes (RFQs) of the six (6) projected Commercial SSSV Constellation Blanket Purchase Agreements (BPAs): Administrative Support, Cybersecurity Support, and Acquisition Support. SSC/PKA projects to release the remaining three (3) Commercial solicitation during calendar year 2026 (CY2026) for: Financial Management Support, Engineering Support, and Security Support. All RFQs will be posted on GSA eBuy only, and a Special Notices For Information

Purpose Only regarding the posted solicitations on eBuy to each respective BPA will be posted on SAM.gov to inform industry of potential teaming or subcontract opportunities and encourage Teaming or Subcontract Arrangements with General Services Administration (GSA) Multiple Award Schedule (MAS) Holders.

Below are the remaining three (3) projected SSSV program Constellation BPA timeline for the release of RFQs to establish multiple BPAs for each of the constellations outlined in the RFI against the GSA MAS program, also known as the GSA Federal Supply Schedules (FSS). The Government's objective is to release the next in line projected RFQ, Finance Management Support, in CY2026 Quarter 3 (Q3). Below are the remaining projected Constellations in the likely order of release and with their planned details for planning purpose only. The Government does not have a specific RFQ date, we are aiming for a release in CY2026.

Note: The order and details outlined below are projections and for information purpose only. No information or order of issuance herein will commit the Government. GSA MAS holders must have the correct NAICS and Category incorporated into their schedule to be eligible for award, so prospective issuers should review their NAICS compliance.
