The duties of employees under job titles listed are based on the "Service Contract Act Directory of Occupations" dated September 2015, unless otherwise indicated.

** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION ** Form 1444 (SF-1444) **

Conformance Process:

The contracting officer shall require that any classification not listed herein and which is to be employed under this wage determination be performed is not performed by any classification determination), be classified by the contractor so that the relationship (i.e., appropriate level of skill compared to the classifications and the classifications listed in 4.6(b)(2)(i)). Such conforming procedures shall be established prior to the performance of contract work by such employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division's determination of conformed classification, wage rate, and benefits shall be paid to all employees performing in the classification.

of work on which contract work is performed by the contractor. To pay such unlisted employees the compensation agreed to by the parties and/or fully determined by the Wage and Hour Division, the date such class of employees commenced contract work, and this contract. (See 29 CFR 4.6(b)(2)(v)). When included in a contract, a separate SF-1444 should be used to determine the classification to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the occupation(s) and computes a proposed rate(s).

2) After contract award, the contractor prepares a conformance request containing the proposed classification title(s), a Federal grade, the proposed classification(s), job description(s), an estimated rate(s), including information regarding the agreement with the authorized representative of the employees involved. This request must be submitted to the contracting officer no later than 30 days after the contractor performs any contract work.

3) The contracting officer reviews the proposed action, together with the agency's recommendations and supporting information including the position of the contract, the Department of Labor, Wage and Hour Division, for review.

4) Within 30 days of receipt, the Wage and Hour Division either approves the action via transmittal to the agency or disapproves the action. The agency notifies the contracting officer that additional time is needed to complete the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a copy of such determination or it shall be posted as a public notice in accordance with 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted to the contracting officer.

When preparing a conformance request, the "Serv Occupations" should be used to compare job definitions requested are not performed by a classification determination. Remember, it is not the job title, determine whether a class is included in an establishment. Conformances may not be used to artificially split classifications listed in the wage determination (
