

Public Questions & Answers

Event Information

Number: 9140 Addendum 1
Title: DEC Storage Tanks and Control Interface System
Type: Request for Proposal
Issue Date: 9/11/2026
Question Deadline: 10/7/2026 05:00 PM (CT)
Response Deadline: 10/14/2026 02:00 PM (CT)
Notes:

The City highly recommends that respondents do not wait until minutes before the due date and time to submit proposal.

The submittal process may take significant time.

Submissions accepted via IONWAVE or hard copy ONLY (no emails).

Questions must be submitted by the deadline via IONWAVE only (no emails/no phone calls)

The City of Denton (the City) is requesting submissions to contract with an individual or business with considerable experience in providing goods or services of this solicitation. The responses and the cost solutions shall be submitted to the City of Denton in a sealed submission.

The awarded individual or business shall possess a proven track record of using innovative approaches to providing goods and services that represent the best value to their clients. The awarded individual or business shall have the ability to accomplish all aspects of the requested services. The selected individual or firm should be able to provide innovative methods to deal with municipal challenges, and cost effective solutions.

A firm may submit a solicitation response for one or more of the categories of product or services requested in this solicitation.

It is the intent of the entity to consider interlocal cooperative agreements and state/federal contracts in determining the best value for the entity.

Published Questions

Question: Is an estimated cost available?

Answer: No, not at this time.

Asked: 10/6/2026 01:48 PM (CT)

Question: Are there any drawings, details, or sizes of the tanks needed?

Answer: No tanks are needed. The Project is for the electrical work and terminations at the plant DCS to Monitor field devices in the control room.
