UID REQUIREMENT: The Government does not intend to tell contractors the specific data to be put into each mark. International Standards and MIL-STD-130 provide the guidance needed by the contractor to determine what information is required within the mark and acceptable formats for applying the mark. It is the contractor's discretion on which UID construct to use according to current business practices. Still, "The preferred format for Unique Identification (UID) is Construct 2 (Issuing Agency Code, Enterprise Identification [CAGE Code], Original Part Number, and Serial Number) as set forth by MIL-STD-130N (or later revision) and the DOD Guide to Uniquely Identifying Items, version 3.0, December 2014 (or later revision). UID shall be in addition to the original Human Readable Information and applied using comparable marking methods. Application of UID markings shall in no way compromise item integrity."

The data rights for this item are not owned by the Government. Permission for providing (manufacturing or distributing) the item must be attained from the OEM. Quotes provided without valid evidence from the OEM giving specific expressed permission to provide the item to the U.S. Government, will be considered non-responsive.

5352.201-9101 OMBUDSMAN (JUN 2023)
(IAW DAFFARS 5301.9103)

(a) An ombudsman has been appointed to hear and facilitate the resolution of concerns from offerors, potential offerors, and others for this acquisition. When requested, the ombudsman will maintain strict confidentiality as to the source of the concern. The existence of the ombudsman does not affect the authority of the program manager, contracting officer, or source selection official. Further, the ombudsman does not participate in the evaluation of proposals, the source selection process, or the adjudication of protests or formal contract disputes. The ombudsman may refer the interested party to another official who can resolve the concern.

(b) Before consulting with an ombudsman, interested parties must first address their concerns, issues, disagreements, and/or recommendations to the contracting officer for resolution. Consulting an ombudsman does not alter or postpone the timelines for any other processes (e.g., agency level bid protests, GAO bid protests, requests for debriefings, employee-employer actions, contests of OMB Circular A-76 competition performance decisions).

(c) The Competition Advocate (CA) at each contracting activity/office (as defined in DLAD 2.101) shall act as the ombudsman and attempt to resolve contractor complaints. DLA AVIATION/AOB's CA/ombudsman can be reached at (405) 855-3552. Complaints which cannot be so resolved shall be forwarded to the HQ through J-72 for resolution by the DLA competition advocate. Each activity is responsible for developing procedures for executing the duties and responsibilities of its local ombudsman.

(d) The ombudsman has no authority to render a decision that binds the agency.

(e) Do not contact the ombudsman to request copies of the solicitation, verify offer due date, or clarify technical requirements. Such inquiries shall be directed to the contracting officer.
