QR code:

An email confirmation will be sent by the U.S. Government verifying successful receipt of registration.

Each person attending the Industry Day must provide a Common Access Card, Driver's License, or Passport to attend the meeting. Visitors are reminded that all bags and packages brought into the facilities are subject to inspection at all times by access control personnel.

Attendees should arrive at the Industry Day entrance between 0800 and 0845 on the day of the event to ensure time for check-in prior to entering the facility.
