

REQUEST FOR PROPOSALS – Commercial Refrigerated Truck

Mt. Hood Community College (MHCC) - Child Development and Family Support Program (CDFS) is seeking bids from qualified authorized dealers for the purchase of one (1) new commercial refrigerated truck, meeting the specifications outlined below.

CDFS makes daily food deliveries to 15-20 sites in the Portland/Gresham area year-round, with multiple openings of the cargo area door. It is expected that the interior will maintain temperatures throughout the day to keep food outside of the danger zone through insulation of the box cargo area.

Vehicle & Equipment specifications must be compatible and must not void any warranties and must be a “complete, turnkey package.”
