

Questions and Answers

1. CLIN 0001 and the SOW reference an attached “delivery point breakdown,” but Section J lists only the CCAD security requirements attachment. Please provide the delivery point breakdown, including the 12 delivery locations and any required delivery days, time windows, or holiday procedures.

Answer: CCAD work hours: Mon – Fri 0600 - 1530

See attached excel for delivery points.

Holidays:

RECOGNIZED FEDERAL HOLIDAYS

The following are recognized Federal holidays. The Contractor shall not perform services on these days:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
President's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day
Juneteenth	

2. CLIN 0001 states 390,000 lb annually and also states 56 x 60-lb blocks delivered twice weekly. At 52 weeks, 56 blocks twice weekly equals 349,440 lb annually. Please confirm the required quantity per delivery and which quantity governs.
3. CLIN 0002 specifies a 60-lb slab with dimensions 2" x 2" x 10". Please confirm the intended slab dimensions and weight. The annual quantity of 18,720 lb is consistent with three 60-lb slabs delivered twice weekly.

Answer: 340,080 LBs / 56 blocks twice weekly. 2 line items will be once a week. (# 4 & # 5 in attached Microsoft Excel file).

Answer: Yes confirmed. Request is for 3 slabs twice a week. 2 x 2 x 10 (60 LBs) = 18,720 LBs. (#6 in attached Microsoft Excel file).

4. Please confirm the required quote submission method. The RFQ identifies the issuing office but does not state whether quotes should be submitted by email, PIII, another portal, or physical delivery. If email is acceptable, please confirm the required recipient(s) and file format.

Answer: Please submit all quotes by email to Edward Chilson
edward.a.chilson.civ@army.mil

5. FAR 52.219-33, Nonmanufacturer Rule, is incorporated. SBA's published class-waiver list includes industrial gases under NAICS 325120. Please confirm whether the SBA class waiver applies to this acquisition.

Answer: Yes the SBA waiver applies to NAICS code 355120 (Gases, Industrial (I.E., Compressed, Liquefied, Solid, Manufacturing) as per (71 Fed. Reg. 24889) and (75 Fed. Reg. 32519)

6. DFARS [252.204-7021](#) is included, but the CMMC level field is blank. Please confirm whether a CMMC level is required for this acquisition and, if so, the required level.

Answer: Removed DFAR clause 252.204-7021 from solicitation (see amendment 00001).

7. No wage determination is included in the RFQ. Please confirm that no Service Contract Labor Standards wage determination or prevailing wage requirement applies to the delivery personnel performing the on-site distribution work.

Answer: This acquisition is for the purchase of a commodity, not services, because of this the Service Contract Labor Standards clauses for services is not required nor is a wage determination required for this acquisition.

8. For this unclassified, non-IT supply/delivery requirement, please confirm the installation-access requirements for delivery personnel. Specifically, will DBIDS and/or guest sponsorship be sufficient, and do the Attachment 1 requirements for a Facility Security Officer signature, CAC, or security clearance apply to this contract?

Answer: Base requires DBIDs – when awarded, secnav form will be sent to contractor. COR will sign as sponsor
CCAD security requires cac card access (required for gates & doors) - After Contractor obtains DBIDs, COR will submit request ticket via portal for CAC Card & escort driver to CCAD security for badge & guidelines (i.e NO pictures on the depot)
