Questions and Answers

Question No. 1: Since the bid allows subcontractors with City approval, would the City allow us to use our subcontractor's experience, past performance, and customer references to help satisfy the qualification and reference requirements?

Answer: No.

Question No. 2: If subcontractor references cannot be used for the three-reference requirement, would the City accept other verifiable business references for MDN, even if they are not specifically for litter control work?

Answer: Yes.

Question No. 3: My second question is about the Professional Liability requirement on page 16. It mentions coverage for legal services, so I just wanted to confirm whether that insurance is actually required for this litter control contract.

Answer: Yes.
