

Schedule of Supplies and Services: USCG STA PUGET SOUND (55107) FY27 DRYDOCK REPAIRS**Solicitation: 70Z04026QSBPL0015**

The Contractor shall furnish all necessary labor, material, services, equipment, supplies, power, accessories, facilities and such other things as are necessary, except as otherwise specified, to perform dry-docking repairs and alterations to the vessel, in accordance with this solicitation and attached specifications.

Failure to read the specifications in their entirety will not relieve the quoter from the responsibility for properly estimating the difficulty or price of successfully performing the work. Failure to do so will be at the quoter's risk.

Schedule of Supplies and Services:

To be filled out with a cost associated for each Definite CLIN and Option(s) CLIN with an overall total submitted on an **Excel** spreadsheet.
