Reverse Inscriptions: (Cemetery must select R2 engrave requirement)

Gravesite

Inscribed at the gravesite within the cemetery property. Cemetery shall ensure the Contractor

has access to the gravesite to perform the inscription operation.

Authorized Operating Hours:

All work for contract performance at the cemetery shall be performed between the hours of 07:30 a.m. and 4:30 p.m., local time, Monday through Friday, excluding Federal holidays. Authorization to work less than 8 hours per day, 5 days per week must be submitted in a written request to the cemetery director and ACOR, MPS-COR and the contracting officer. Work performed during non-duty hours, weekends and holidays will be at the discretion and with the written approval of the cemetery director and at no additional cost to the Government. Requesting to work during non-duty hours, weekends and holidays will not be a substitute for not working during a regular work week.
