

SECTION 11 31 00
APPLIANCES

PART 1 GENERAL

1.01 SUBMITTALS

- A. Action Submittals: Manufacturer's literature including specifications, operating and cleaning instructions, and color chart. Identify each unit with specified item number.

PART 2 PRODUCTS

2.01 MANUFACTURED UNITS

- A. Refrigerator, A-1:
1. Manufacturers and Products:
 - a. General Electric; GFE24JYKFS.
 - b. Or equal.
 2. Physical Characteristics:
 - a. French door refrigerator with bottom freezer, no frost, 23-cubic foot capacity minimum, with automatic ice maker, water dispenser, and energy saving feature.
 - b. Dimensions: 69 inches high by 32 inches wide by 37 inches deep.
 - c. Color: Fingerprint resistant stainless steel.
 - d. Power: 120 volt, 60 hertz, 15 amp.
 3. Functional Characteristics: None.
 4. Performance Characteristics:
 - a. Energy Star Qualified.
 - b. ABA Compliant. 50 percent of the freezer space to be 54 inches maximum above the finished floor.
- B. Dishwasher, A-2:
1. Manufacturers and Products:
 - a. General Electric; GDT225SSLSS.
 - b. Or equal.
 2. Physical Characteristics:
 - a. Built-in.
 - b. Finish: Stainless steel.
 - c. Dimensions: 32 inches high by 23 inches wide by 23 inches deep.
 - d. Volume: 51 decibels maximum.
 - e. Power Cord: Factory installed.
 3. Functional Characteristics: None.

4. Performance Characteristics:
 - a. Energy Star Qualified.
 - b. ADA Compliant.
- C. Disposal, A-4:
1. Manufacturers and Products:
 - a. In-Sink-Erator; Badger 5.
 - b. Or equal.
 2. Physical Characteristics:
 - a. Continuous feed, insulated, galvanized steel construction.
 - b. Motor: 1/2 hp.
 - c. Connection: Dishwasher connection.
 - d. Capacity: 26 ounces.
 - e. Power Cord: Factory installed.
 3. Functional Characteristics: None.
 4. Performance Characteristics: Average electrical use of 3 KWh to 4 KWh per year.

PART 3 EXECUTION

3.01 INSTALLATION

- A. Following manufacturers' instructions and recommendations, install and connect appliances in the proper location and leave them ready for use.
- B. Remove all protective maskings and clean surfaces, leaving them free of soil and imperfections.
