

Commercial Solution Opportunity – Defense Commissary Agency (DECA)

In accordance with the Commercial Opportunity Solution – Defense Commissary Agency (DeCA), dated 01.21.2026, paragraph 5.0, the following specific requirement in support of Aol 5.3 Drive Accountability is attached.

The Defense Commissary Agency (DeCA) is seeking innovative, commercial approaches for commercial key control cabinet. The key control cabinet variations need to have the capacity to hold at least 16, 32, and 48 keys. The goal is to leverage industry best practices, modern technologies, and creative service models to improve reliability, accountability, and overall service quality for commercial key control cabinets.

Our objective is to establish a one-time purchase award for the various size key control cabinets to provide a key management system for access and accountability. The key control cabinets must have the capability to connect with DeCA's network. The anticipated award date is September 30, 2026.

Interested vendors with proven expertise in key control cabinets should submit their Solutions Brief in accordance with section 3.2 Solutions Brief of the DeCA CSO document.

The closing date for this opportunity is Wednesday 8 July 2026 at 2:00 PM Eastern Standard Time (EST).

All communications to include questions pertaining to this opportunity shall be sent via email to the following Points of Contact:
