(a) Inspection/Acceptance. The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. (e) Definitions. The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) Excusable delays. The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence

such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

- (B) Affected contract number and delivery order number, if applicable;
- (C) Affected line item or subline item, if applicable; and
- (D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) Interest.

(i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) Title. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) Warranty. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) Limitation of liability. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

The IPP is a government-wide secure web-based payment information service offered free of charge to government agencies and their suppliers by the U.S. Department of Treasury's Financial Management Service (FMS).

One-time enrollment in IPP means that you will receive a series of e-mails from Treasury services.

The first email will have the IPP Logon ID and link to the IPP application. A second e-mail, containing the password will be sent within 24 hours. Once you receive these emails, please login to the IPP application and complete the registration process.

Benefits of registering with IPP include the ability for your company to create invoices directly from a contract award and submit them electronically, as well as:

- e-mail notification when invoice(s) are paid
- online payment history
- remittance download

The e-mail notification of payment is sent when a payment is distributed to your bank account and will include all pertinent payment information. Attached is a list of contract awards that will be processed via IPP.

The IPP Customer Support Desk is available to assist users Monday through Friday (excluding bank holidays) from 8:00AM - 6:00PM ET, including answering any questions related to accessing IPP or completing the registration process. Their toll-free number is 866-973-3131 or they can be reached at: IPPCustomerSupport@fiscal.treasury.gov.
