

Area of Interest (AoI) - Fresh Pork Supply for Central Meat Processing Plant (CMPP), Ramstein Air Base

In accordance with the Commercial Solutions Opening (CSO) process, the Defense Commissary Agency (DeCA), the following specific requirement in support of AoI 5.1 Grow Sales is attached. DeCA is seeking innovative, commercially available solutions to provide a consistent, reliable supply of high-quality fresh pork products for the Central Meat Processing Plant (CMPP) located at Ramstein Air Base, Germany.

At the time of proposal submission, the offeror must be listed on the Public Health Command–Europe (PHC-E) Worldwide Directory of Sanitary Approved Food Establishments website (https://sph.health.mil/approved.nsf/fst_wContent_All?OpenFrameSet) for the products they are offering.

The objective of this requirement is to ensure a continuous, safe, and high-quality supply of fresh pork products to support authorized Commissary patrons in the local area. Proposed solutions must demonstrate the ability to maintain product integrity, safety, and freshness.

The proposed solution must comply with all applicable European Union regulatory requirements governing food safety and hygiene, including but not limited to Regulation (EC) No. 852/2004 on the hygiene of food products and Regulation (EC) No. 853/2004 establishing specific hygiene rules for food of animal origin, and including end-to-end product traceability.

DeCA has elected to waive Phase 1 (Submission of Written Solution Brief) and Phase 2 (Oral Presentation) of the Commercial Solutions Opening (CSO) process for this requirement. Interested vendors with demonstrated capability and relevant commercial expertise shall submit a full Solutions Proposal in accordance with Section 3.4 of the overarching Commercial Solutions Opening.

Volume II – Technical Proposal shall not exceed ten (10) written pages and must be formatted using a font size no smaller than 12-point.

The closing date for submission under this Commercial Solutions Opening is Tuesday, 9 June 2026, at 2:00 p.m. Central European Summer Time (CEST). All communications related to this opportunity—including proposal submissions, questions, and clarifications—shall be transmitted via email to the designated Points of Contact identified below.
