

Exhibit J
Assumptions Form

I. NOTE TO RESPONDENTS

This is the approved format for the Respondent to list all Assumptions regarding any requirements, terms, conditions, certifications or Deliverables in the Solicitation, see HHS0016857, Section 3.4.5 Assumptions.

II. INSTRUCTIONS FOR COMPLETION

Respondent must submit this form with their Proposal:

- A. If Assumptions are being presented, use the tables below and fill in all columns for each issue.
- B. Ensure the specific document, section number, and page number – inclusive of the paragraph or subparagraph, as applicable - of the issue is stated.
- C. Ensure each Assumption is described fully or by reference to the exact location within the Proposal.
- D. Add more table lines below, if necessary.
- E. If more space for explanations or alternatives is reasonably needed, list the Assumption on this form and reference the attached page(s) – ensure each attached page clearly identifies the line item it refers to.
- F. Any alternatives may also be embedded in the Proposal narrative as appropriate to make the narrative clear, but in the Proposal narrative the Assumption must be noted with the line-item number on this form.

IF NO ASSUMPTIONS ARE BEING NOTED, COMPLETION OF THIS EXHIBIT IS NOT REQUIRED.

III. Assumption Table

No Assumption -- *nor any term, condition, or provision in a Solicitation Proposal that differs, varies from, or contradicts this Solicitation* -- will be considered to be a part of any contract resulting from this Solicitation unless expressly made a part of the Contract in writing by DFPS.

Solicitation Document	Solicitation Section Number	Solicitation Section Title	Solicitation Language to which the Assumption is taken	Assumption	Still Want to be Considered for Contract Award if Assumption Denied? (State "Yes" or "No")
