Section C - Description/Specifications/Statement of Work

Performance Based Statement of Work

For U. S. Naval Test Pilot School

USNTPS QUALITATIVE EVALUATION

1.0 Introduction: The U. S. Naval Test Pilot School (USNTPS) and other Naval Test Wing Atlantic (NTWL) Squadrons is acquiring flight demonstration flight support of its Qualitative Evaluation flight exercise.

2.0 Background: The USNTPS trains engineering flight test pilots and flight test engineers for the Department of Defense, Department of Homeland Security, and international flight test organizations. The Qualitative Evaluation (QE) Program institutionalized within the USNTPS is a major facet of the curriculum that provides a wide variety of aircraft with differing flying qualities and performance characteristics to the students. The training augments and rounds the education received in aircraft that are organic to USNTPS. Prior to participation in the QE Program at USNTPS, an inspection of the contractor's equipment, maintenance practices, and flight discipline must be completed. This inspection is conducted by USNTPS staff personnel at the contractor's place of business.

3.0 Scope:

3.1. The contractor shall provide up to 17 demonstration flight hours in an MD-500 aircraft to USNTPS student and instructor pilots to support the QE exercise and pilot experience. The flights will be conducted during the period 11/1/2026-11/13/2026 (planned).

3.2. Flight demonstrations shall take place at the U.S. Naval Test Pilot School which will require the contractor to ferry the aircraft to NAS Patuxent River, MD. The total of flight hours in paragraph 3.1. does not include the ferry time required for transporting the aircraft to and from NAS Patuxent River. Ferry time for one flight from the contractor's location to Patuxent River and a return flight to the contractor's location for each aircraft will be priced at a fixed rate. Travel expenses for the contractor pilot will be costed separately and will be in accordance with Joint Travel Regulations.

3.3. Prior to participation in the QE Program at USNTPS, an inspection of the contractor's equipment, maintenance practices, and flight discipline must be completed. This inspection is conducted by USNTPS staff personnel at the contractor's place of business or at an agreed-upon location. All discrepancies noted in the inspection must be fixed and documented at the time of proposal submission.

4.0 Applicable Documents. The contractor is responsible for review and adherence to the following applicable documents, as they apply to this contract:

4.1. SECNAVINST 3770.1 Series: Use of Department of the Navy Aviation Facilities by Other Than United States Department of Defense Aircraft

- 4.2. CNAF-M 3710.7 Series: NATOPS General Flight and Operating Procedures
- 4.3. UNSTPSINST 3710.2 Series: Visiting Aircraft Standard Operating Procedures
- 4.4. USNTPSINST 3710.3 Series: Qualitative Evaluation Program

5.0 Period of Performance. The period of performance for this Qualitative Evaluation is 11/1/2026-12/31/2026 (planned), exact flight dates set by USNTPS flight schedule.

6.0 Aircraft Requirements.

- 6.1. One MD-500 aircraft required to complete up to 17 hours of student/instructor/pilot flight demonstration exercises.
- 6.2. Aircraft is to be configured with dual flight controls (capable of being flown from the either seat).
- 6.3. The aircraft must meet applicable FAA standards for the appropriate category and class.
- 6.4. Satisfies all scheduled and required maintenance periods such that the aircraft will be available throughout the contracted flight hour period and calendar duration for each demonstration/evaluation period.
- 6.5. Required to operate in day VMC within controlled airspace requiring a Mode 3C transponder and VHF communications.
- 6.6. The aircraft must be authorized to operate on one of three fuels provided: JP-5, JP-8, or 100LL.

7.0 Safety Pilot Requirements. A contractor or contractor-approved pilot-in-command (hereafter referred to as the safety pilot) is required. The safety pilot is to be FAA Certified Commercial Pilot rated in the MD-500 aircraft. In addition to all applicable Federal Aviation Regulations, the minimum qualifications for the contractor furnished safety pilot are:

- 7.1. A Certified Flight Instructor (CFI) as required by USNTPSINST 3710.3 Series.
- 7.2. A minimum of 500 flight hours.
- 7.3. A minimum of 250 flight hours first pilot time in airplanes.
- 7.4. A minimum of 50 hours in the MD-500, with not less than 5 hours in the MD-500 within the previous 60 days prior to flight operations at Patuxent River, MD.
- 7.5. Must have a current FAA Commercial pilot certificate with current medical qualifications and required aircraft certifications.
- 7.6. An initial safety pilot qualification flight and NAS Patuxent River local area familiarization will be completed prior to student flights, these flight are executed concurrent with hours specified in paragraph 6.1 at cost specified in paragraph 9.0. If the safety pilot has flown demonstration flights with USNTPS within the preceding year, the initial safety pilot qualification flight is not required.

8.0 Performance Requirements. During the flights, the flying qualities, performance characteristics and onboard systems will be evaluated throughout the aircraft operating envelope. The safety pilot shall be in the aircraft for all flights and shall act as the pilot-in-command. Contractor support services shall include:

8.1. A thorough briefing for all personnel covering aircraft systems, limitations, procedures, and safety.

8.1.1. Contractor shall provide additional briefings if required due to personnel scheduling conflicts.

8.2. A contractor provided safety pilot to act as the pilot-in-command for all flights.

8.2.1. Records of safety pilot to be furnished to USNTPS Flight Operations to include scans or photos of FAA pilot certificate, FAA instructor certificate, medical certificate, and Pilot History Form.

8.3. Maintenance, oil, special equipment, and any other support services associated with the operation of the aircraft (logistics and maintenance support).

8.3.1. The contractor shall comply with Federal regulations for all hazardous material as found in the Code of Federal Regulations (CFR), Title 40, Parts 260-265, 270, 300 and state regulations for hazardous wastes found in the Code of Maryland Regulations (COMAR), Title 10, Subtitle 26. The contractor shall be responsible for transportation, accumulation, and turn-in of regulated and hazardous waste, waste oils/fuels if not previously agreed to. Material safety data sheets for all hazardous materials brought on station will be mailed to USNTPS, Hazardous Waste Program Manager, Code 55TP91A, at least two weeks prior to arrival.

8.4. Any flight gear specific to the aircraft type.

8.5. Access to the aircraft and associated maintenance records and logs for inspection by USNTPS during the period of performance.

8.5.1. Provide scans or photos of aircraft's maintenance logs, registration, FAA Airworthiness certificate, and Operating Limitations (if applicable) to USNTPS Maintenance Point of Contact.

8.6. Demonstration flight(s) totaling up to 17 hours for USNTPS student/instructor exercise to be conducted at NAS Patuxent River, MD.

8.7. Aircraft reposition or ferry costs should be specified (per cost structure), up to 8.8 hours. This flight cost is in addition to the demonstration flight hours as defined in paragraph 3.1.

9.0 Actual flight time for reporting purposes is defined in CNAF-M 3710.7 Series. During ferry flights to/from the designated check ride or QE location, the "flight hour rate with fuel cost" is defined as the total cost for the ferry pilot, aircraft usage, fuel and maintenance. Once at the designated check ride or QE location, the "flight hour rate without fuel" will apply. For "flight hours without fuel cost", USNTPS will provide JP-5, JP-8 or 100LL and therefore will not be billed for fuel costs from the contractor. The safety pilot, aircraft usage and maintenance costs will still be included however. USNTPS will provide hangar and flight line space for the duration of the demonstration flight period. In the event the aircraft requires extended maintenance, hangar space will be provided for up to two additional weeks. It remains the responsibility of the contractor to provide the maintenance of the aircraft. Government provided maintenance personnel will assist with aircraft movement into and out of the hangar. At the discretion of the USNTPS Maintenance Officer, limited maintenance assistance may be provided for routine maintenance tasks; however, USNTPS will not be held liable for their actions.

10.0 The contractor maintains liability for any damage or loss of the aircraft and third party liability.

10.1. Current insurance, permitting requirements, and necessary forms are defined by OPNAVINST 3700.19 Series. Requirements and forms can be obtained via the following website: <https://www.cnmc.navy.mil/om/calp.html>.

10.2. Note that when DD Form 2400 states a Combined Single Limit amount and then follows it with the phrase "sublimited to \$100,000 per passenger", the stated amount (e.g. \$1,000,000) is the total coverage and the \$100,000 per passenger is within the \$1,000,000, not in addition to it. This would mean that the coverage would not meet the minimum requirement. As an example, for aircraft less than 12,500 lbs with 3 passenger seats, the minimum is \$500,000 bodily injury plus \$500,000 property damage plus \$300,000 for passenger seats, for a total of \$1,300,000.

	<u>Bodily Injury</u>	<u>PLUS</u>	<u>Property Damage</u>	<u>PLUS</u>	<u>Per Passenger Seat</u>	<u>Minimum</u>
Aircraft less than 12,500 lbs MGTOW	\$100,000/person \$500,000 /accident	<u>PLUS</u>	\$500,000	<u>PLUS</u>	\$100,000	\$1,000,000 PLUS \$100,000 per passenger seat
Aircraft 12,500 lbs and greater MGTOW	\$100,000 /person \$1,000,000 /accident	<u>PLUS</u>	\$1,000,000	<u>PLUS</u>	\$100,000	\$2,000,000 PLUS \$100,000 per passenger seat (1)
(1) A percentage reduction applies						

10.3. Minimum insurance requirements and landing permits must be received and verified prior to transit to and landing at NAS Patuxent River. Send original **blue- ink** signed copies of insurance certifications and civil aircraft landing permit applications to:

Mr. Theodore Gundling

Air Operations

47795 Jackson Road

Patuxent River, MD 20670

(V) (301) 342-7968

theodore.gundling.ctr@navy.mil

10.3.1. The following is a list of required documents to attain a civil landing permit:

- 10.3.1.1. DD2400, Civil Aircraft Certificate of Insurance
- 10.3.1.2. DD2401, Civil Aircraft Landing Permit Application
- 10.3.1.3. DD2402, Civil Aircraft Hold Harmless
- 10.3.1.4. LLC Affidavit (if applicable)

10.4. Copies of pilot qualifications, along with confirmation of submitted landing permit shall be sent to USNTPS Flight Operations. USNTPS Flight Operations will issue the Prior Permission Required authorization number to the contractor after all paperwork has been confirmed.

US Naval Test Pilot School Operations

Ms. Katlyn Graves

(V) (301) 757-5040

10.5. The USNTPS QE Program Manager is:

Mr. Nicholas Wirz

386-405-9639

Cc: nicholas.m.wirz.civ@us.navy.mil

10.6. The USNTPS Maintenance Point of Contact is:

Mr. William Currey

William.o.currey2.civ@us.navy.mil

11.0 Standards of Quality and Timeliness

PBSOW Paragraph	Performance Objective	Performance Standard	Acceptable Quality Level	Method of Surveillance
8.1	Flight Briefing	Thorough 1 hr briefing covering aircraft systems limitations, procedures and safety.	Thorough briefing provided to aircrew prior to flight demonstration.	Government Observation & Analysis
8.2	Safety Pilot provided to act as Pilot-in-Command	Safety Pilot must meet minimum qualifications as specified in Paragraph 7.0.	Safety Pilot meets 100% of requirements.	Government Observation & Analysis of applicable documents
				Government

8.3	Maintenance, oil, special equipment, and other support services	All services required to maintain aircraft to execute the flight demonstrations.	100% of services provided	Observation & Analysis
8.4	Provide any flight gear specific to the aircraft type	All required flight gear provided.	100% of gear provided	Government Observation & Analysis
8.5	Fully Operational MD-500 aircraft	Provided aircraft must meet applicable FAA standards for the appropriate category and class, and as stated in paragraph 6.0.	Aircraft meets 100% of applicable FAA standards.	Government Observation & Analysis
8.6	Maintenance Logs and Inspections	Accessibility for USNTPS to review aircraft logs, maintenance records, and perform an aircraft inspection (as required).	Full compliance	Government Observation & Analysis
8.7	Demonstration Flight Hours	Provide up to 17 demonstration flight hours	Flight hours provided.	Government Observation & Analysis

12.0 Contract Line Item Number (CLIN) Descriptions:

12.1. CLIN 0001 (Flight Hours): Flight hour rates include costs as defined in paragraph 9.0 above. The expected sortie duration will be 1.0 hours per member, for a total of up to 17 hours. Sortie completion determination will be the responsibility of the QE Program Manager. If a sortie does not meet the training objectives due to an aircraft failure or non-performance of the safety pilot, the hours for that flight will not be accrued towards the total contract. If a sortie does not meet training objectives because it returned early due to a weather recall initiated by the USNTPS, then any hours completed will be accrued. Flight hours will be calculated in accordance with CNAF-M 3710.7 (takeoff to landing, plus 5 minutes) as entered in FIST post flight and will be billed in increments of 0.1 hour.

12.2. CLIN 0002 (Ferry Flight and Travel): The contractor will ensure the aircraft is on station and ready for all flight events. One ferry flight round-trip from the aircraft home station to NAS Patuxent River, MD is expected per performance period. The aircraft is expected to remain on station during the entire performance period until all flight hours are complete. Prior coordination with the QE Program Manager is required to fly the aircraft off station during the performance period (i.e. a weekend airshow). Any aircraft relocation that does not support USNTPS will not accrue an additional ferry flight. Travel expenses cover the cost of lodging, rental vehicles, and per diem IAW Joint Travel Regulations. Travel expenses will be charged for up to one day prior to the first scheduled flight to one day after the last flight is completed.

12.3. CLIN 0003 (Pilot Daily Rate and Travel) Travel expenses cover the cost of travel, lodging, rental vehicles, and per diem IAW Joint Travel Regulations. Travel expenses will be charged for up to one day prior to the first scheduled flight to one day after the last flight is completed. Pilot rate is the cost for the pilot to be on station, KNHK.

12.4. CLIN 0004 (Maintainer Daily Rate and Travel) Travel expenses cover the cost of travel, lodging, rental vehicles, and per diem IAW Joint Travel Regulations. Travel expenses will be charged for up to one day prior to the first scheduled flight to one day after the last flight is completed. Maintainer rate is the cost for the maintainer to be on station, KNHK.

252.232-7003	Electronic Submission of Payment Requests and Receiving Reports.	Dec 2018		

DFARS Clauses Incorporated by Full Text

252.232-7006 Wide Area WorkFlow Payment Instructions. (Jan 2023)

WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) *Definitions.* As used in this clause-

"Department of Defense Activity Address Code (DoDAAC)" is a six position code that uniquely identifies a unit, activity, or organization.

"Document type" means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

"Local processing office (LPO)" is the office responsible for payment certification when payment certification is done external to the entitlement system.

"Payment request" and "receiving report" are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) *Electronic invoicing.* The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) *WAWF access.* To access WAWF, the Contractor shall-

(1) Have a designated electronic business point of contact in the System for Award Management at <https://www.sam.gov>; and

(2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this web site.

(d) *WAWF training.* The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at <https://wawf.eb.mil/>

(e) *WAWF methods of document submission.* Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) *WAWF payment instructions.* The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) *Document type.* The Contractor shall submit payment requests using the following document type(s):

(i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.

(ii) For fixed price line items-

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

(Contracting Officer: Insert applicable invoice and receiving report document type(s) for fixed price line items that require shipment of a deliverable.)

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

(Contracting Officer: Insert either "Invoice 2in1" or the applicable invoice and receiving report document type(s) for fixed price line items for services.)

(iii) For customary progress payments based on costs incurred, submit a progress payment request.

(iv) For performance based payments, submit a performance based payment request.

(v) For commercial financing, submit a commercial financing request.

(2)) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1 is included in the contract.

[Note: The Contractor may use a WAWF "combo" document type to create some combinations of invoice and receiving report in one step.]

(3) *Document routing.* The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

Routing Data Table*

Field Name in WAWF	Data to be entered in WAWF
Pay Official DoDAAC	_____
Issue By DoDAAC	_____
Admin DoDAAC	_____
Inspect By DoDAAC	_____
Ship To Code	_____
Ship From Code	_____
Mark For Code	_____
Service Approver (DoDAAC)	_____
Service Acceptor (DoDAAC)	_____
Accept at Other DoDAAC	_____
LPO DoDAAC	_____
DCAA Auditor DoDAAC	_____
Other DoDAAC(s)	_____

(*Contracting Officer: Insert applicable DoDAAC information. If multiple ship to/acceptance locations apply, insert "See Schedule" or "Not applicable.")

(**Contracting Officer: If the contract provides for progress payments or performance-based payments, insert the DoDAAC for the contract administration office assigned the functions under FAR 42.302(a)(13).)

(4) *Payment request.* The Contractor shall ensure a payment request includes documentation appropriate to the type of payment request in accordance with the payment clause, contract financing clause, or Federal Acquisition Regulation 52.216-7, Allowable Cost and Payment, as applicable.

(5) *Receiving report.* The Contractor shall ensure a receiving report meets the requirements of DFARS Appendix F.

(g) *WAWF point of contact.*

(1) The Contractor may obtain clarification regarding invoicing in WAWF from the following contracting activity's WAWF point of contact.

(Contracting Officer: Insert applicable information or "Not applicable.")

(2) Contact the WAWF helpdesk at 866-618-5988, if assistance is needed.

(End of clause)

52.219-28 Postaward Small Business Program Rerepresentation. (Deviation 2026-O0038) (Feb 2026) Alternate I (Feb 2026)
(Alternate I)

Alternate I (FEB 2026) (DEVIATION 2026-O0038). As prescribed in 19.101(a)(2)(iii)(B), substitute the following paragraph (g)(1) for paragraph (g)(1) of the basic clause:

(g)(1) The Contractor represents its small business size status for each one of the NAICS codes assigned to this contract.

NAICS Code	Small business concern (yes/no)
—	—
—	—
—	—

[Contracting Officer to insert NAICS codes.]

52.219-28 Postaward Small Business Program Rerepresentation. (Deviation 2026-O0038) (Feb 2026)
POSTAWARD SMALL BUSINESS PROGRAM REREPRESENTATION (FEB 2026) (DEVIATION 2026-O0038)

(a) *Definitions.* As used in this clause-

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, Option to Extend Services, or other appropriate authority.

Small business concern-

(1) Means a concern, including its affiliates, that is independently owned and operated, not dominant in its field of operation, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (c) of this clause.

(2) *Affiliates*, as used in this definition, means business concerns, one of whom directly or indirectly controls or has the power to control the others, or a third party or parties control or have the power to control the others. In determining whether affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationships. SBA determines affiliation based on the factors set forth at 13 CFR 121.103.

(b) If the Contractor represented that it was a small business concern, a small disadvantaged business concern, or a joint venture that was any of the small business concerns identified in 19.000(a)(3) prior to award of this contract, the Contractor shall rerepresent its size and socioeconomic status according to paragraph (e) of this clause or, if applicable, paragraph (g) of this clause, upon occurrence of any of the following:

(1) Within 30 days after execution of a novation agreement or within 30 days after modification of the contract to include this clause, if the novation agreement was executed prior to inclusion of this clause in the contract.

(2) Within 30 days after a merger or acquisition that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts-

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.

(c) The Contractor shall rerepresent its size status in accordance with the size standard in effect at the time of this rerepresentation that corresponds to the North American Industry Classification System (NAICS) code(s) assigned to this contract. The small business size standard corresponding to this NAICS code(s) can be found at <https://www.sba.gov/document/support--table-size-standards>.

(d) The small business size standard for a Contractor providing an end item that it does not manufacture, process, or produce itself, for a contract other than a construction or service contract, is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition-

(1) Was set aside for small business and has a value above the simplified acquisition threshold;

(2) Used the HUBZone price evaluation preference regardless of dollar value, unless the Contractor waived the price evaluation preference; or

(3) Was an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(e) Except as provided in paragraph (g) of this clause, the Contractor shall make the representation(s) required by paragraph (b) of this clause by validating or updating all its representations in the Representations and Certifications section of the System for Award Management (SAM) and its other data in SAM, as necessary, to ensure that they reflect the Contractor's current status. The Contractor shall notify the contracting officer in writing within the timeframes specified in paragraph (b) of this clause, that the data have been validated or updated, and provide the date of the validation or update.

(f) If the Contractor represented that it was other than a small business concern prior to award of this contract, the Contractor may, but is not required to, take the actions required by paragraphs (e) or (g) of this clause.

(g) If the Contractor does not have representations and certifications in SAM, or does not have a representation in SAM for the NAICS code applicable to this contract, the Contractor is required to complete the following rerepresentation and submit it to the contracting office, along with the contract number and the date on which the rerepresentation was completed:

(1) The Contractor represents that it ☐ is, ☐ is not a small business concern under ____ NAICS Code assigned to ____ contract number.

(2) *[Complete only if the Contractor represented itself as a small business concern in paragraph (g)(1) of this clause.]* The Contractor represents that it ☐ is, ☐ is not, a small disadvantaged business concern as defined in 13 CFR 124.1001.

(3) *Women-owned small business (WOSB) joint venture eligible under the WOSB Program.* The Contractor represents that it ☐ is, ☐ is not a joint venture that complies with the requirements of 13 CFR 127.506(a) through (c). [____ The Contractor shall enter the name and unique entity identifier of each party to the joint venture: ____.]

(4) *Economically disadvantaged women-owned small business (EDWOSB) joint venture.* The Contractor represents that it ☐ is, ☐ is not a joint venture that complies with the requirements of 13 CFR 127.506(a) through (c). [____ The Contractor shall enter the name and unique entity identifier of each party to the joint venture: ____.]

(5) *Service-disabled veteran-owned small business (SDVOSB) joint venture eligible under the SDVOSB Program.* The Contractor represents that it ☐ is, ☐ is not an SDVOSB joint venture eligible under the SDVOSB Program that complies with the requirements of 13 CFR 128.402. [____ The Contractor shall enter the name and unique entity identifier of each party to the joint venture: ____.]

(6) *HUBZone joint venture eligible under the HUBZone Program.* *[Complete only if the offeror is a HUBZone small business concern.]* The offeror represents, as part of its offer, that It ☐ is, ☐ is not a HUBZone joint venture that complies with the requirements of 13 CFR 126.616(a) through (c). [____ The Contractor shall enter the name and unique entity identifier of each party to the joint venture: ____.] Each HUBZone small business concern participating in the HUBZone joint venture must be certified as a HUBZone concern. [____ Contractor to sign and date and insert authorized signer's name and title.]

(b) The offeror certifies that the following supplies are Israeli end products as defined in the clause of this solicitation entitled "Buy American-Free Trade Agreements-Israeli Trade Act".

ISRAELI END PRODUCTS:

Line Item No.

[List as necessary]

DFARS Clauses Incorporated by Full Text

252.204-7017 Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services-Representation. (May 2021)

**PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-
REPRESENTATION (MAY 2021)**

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) *Definitions.* "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) *Prohibition.* Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at <https://www.sam.gov> for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) *Representation.* If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it ☐ will ☐ will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) *Disclosures.* If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

(End of provision)

52.207-4 Economic Purchase Quantity-Supplies. (Aug 1987)

ECONOMIC PURCHASE QUANTITY-SUPPLIES (AUG 1987)

(a) Offerors are invited to state an opinion on whether the quantity(ies) of supplies on which bids, proposals or quotes are requested in this solicitation is (are) economically advantageous to the Government.

(b) Each offeror who believes that acquisitions in different quantities would be more advantageous is invited to recommend an economic purchase quantity. If different quantities are recommended, a total and a unit price must be quoted for applicable items. An economic purchase quantity is that quantity at which a significant price break occurs. If there are significant price breaks at different quantity points, this information is desired as well.

52.252-1 Solicitation Provisions Incorporated by Reference.

(Feb 1998)

SOLICITATION PROVISIONS INCORPORATED BY REFERENCE (FEB 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this/these address(es):

_____ [Insert one or more Internet addresses]
