MEMORANDUM FOR RECORD

SUBJECT: Statement of Work for USMA India White Trouser

This is official request for the procurement of the United States Military Academy (USMA) West Point Cadet India White Trouser. All Trousers will be made in accordance with (IAW) Product Description WP-PD-21-12 & WP-PD-21-13. Exceptions of this PD's are illustrated in this statement of work below.

Total Number of Trousers required for the base year is 7,000 (+/-3%) trousers Men (5,400) and Women's (1,600) combined to cover back log and refill stock. To be delivered by June 1 of 2027.

Four Option Years Will require a Combination of 2,700 (+/-5%) trousers, 2,100 Men's and 600 Women's to be delivered prior to June 1 of each option year. Sizes required for option year will be sent to vendor by end of July of each year.

For Base Year Build, West Point Cadet Uniform factory will supply fabric and components to vendors as Government Furnished Material. After the base year Vendors will have to source their own fabric and components. Vendors will use their own manufacturing label to replace "West Point Cadet Uniform Factory Label" for all years. All trousers will be delivered without buttons. Buttons are issued to cadets separately at West Point. West Point Cadet Uniform Factory will supply cutting pattern files and Finished Sample.

Sizes for men's and women's trousers may vary depending on stock usage. West Point reserves the right to change the quantities of sizes per option year based on stock usage. The overall stock requirements of 2,700 (+/-5%) per year will not change. Below are the Annual Stock Requirements for Men's and Women's Sizes:
