REQUEST FOR BIDS

Purchase of New Medical Equipment

Sai Sanjeevani Medical Clinic

Clarksdale, Mississippi

Sai Sanjeevani Medical Clinic invites qualified medical-equipment manufacturers, authorized dealers, distributors, and vendors to submit **competitive bids for the purchase and installation of new medical equipment** for our expanding healthcare services in the Mississippi Delta region.

We strongly encourage participation from **Minority-Owned Business Enterprises (MBE), Women-Owned Business Enterprises (WBE), and other qualified small and disadvantaged businesses.**

EQUIPMENT REQUESTED

We are seeking bids for the following **NEW, NEVER-USED equipment**:

1. **Welch Allyn Autorefractor Machine**
 - New equipment only
 - Complete system with all standard accessories
 - Warranty and service support required
2. **Nuclear Stress Laboratory Equipment**
 - Complete nuclear stress testing system
 - **Myospect Camera / Nuclear Imaging Camera**
 - Associated equipment and accessories required for a complete operational system
 - Installation, calibration, training, and service support
3. **Echocardiography Machine**
 - High-quality cardiovascular ultrasound system
 - **3D and 4D capabilities required**
 - Complete cardiac imaging package
 - Appropriate probes/transducers and accessories
 - Installation, training, warranty, and service support
4. **Holter Monitoring System**
 - Complete Holter monitoring system
 - Capability for appropriate ambulatory ECG monitoring
 - Analysis/reporting software
 - **48-hour and 7-day monitoring capability preferred**
 - Accessories, software, training, warranty, and technical support
5. **Cardiac Treadmill / Exercise Stress Testing System**
 - Complete treadmill stress-testing system
 - ECG acquisition and monitoring system

- Stress-test software and reporting capability
- Appropriate safety features and accessories
- Installation, training, warranty, and service support

BID REQUIREMENTS

Vendors are requested to provide the following information with their bid:

- Manufacturer and exact model number
- Detailed equipment specifications
- **Total purchase price**
- Any applicable discounts
- Delivery charges
- Installation costs
- Training costs
- Warranty terms
- Extended warranty/service contract pricing, if available
- Expected delivery time
- Availability of replacement parts and technical support
- Annual maintenance/service costs
- Financing or payment options, if available
- References from other healthcare facilities, preferably rural or community health centers
- MBE/WBE certification, if applicable

NEW EQUIPMENT ONLY

Sai Sanjeevani Medical Clinic will consider bids for NEW equipment only.

Refurbished, reconditioned, used, demonstration, or previously installed equipment will not be considered.

Vendors should clearly identify that the equipment being quoted is **brand new and has not previously been used or installed for clinical service.**

BID EVALUATION

Sai Sanjeevani Medical Clinic intends to obtain the **best overall value** for the clinic and the patients we serve.

Bids will be evaluated based on factors including:

- Equipment quality and clinical capabilities
- Compliance with requested specifications
- Purchase price
- Warranty and service support
- Delivery schedule

- Installation and training
- Long-term maintenance costs
- Vendor qualifications and experience
- Availability of technical support
- MBE/WBE and small-business participation

The lowest bid will not necessarily be the only determining factor. Sai Sanjeevani Medical Clinic reserves the right to select the proposal that provides the best overall value, quality, reliability, and long-term benefit to the clinic and the community.

SUBMISSION OF BIDS

Qualified vendors and agencies are invited to submit their bids **at their earliest convenience.**

Please provide a detailed written quotation for each item, or a complete package quotation if your agency can supply multiple pieces of equipment.

Please clearly identify MBE/WBE certification or other applicable small-business certification with your submission.

ABOUT SAI SANJEEVANI MEDICAL CLINIC

Sai Sanjeevani Medical Clinic is a multispecialty community healthcare clinic serving patients in **Clarksdale and the Mississippi Delta region.** The clinic is committed to improving access to high-quality healthcare, particularly for underserved and uninsured patients.

The requested equipment will help expand access to diagnostic and cardiovascular services and reduce the need for patients to travel outside the Delta region for essential medical testing.

We welcome competitive bids from qualified vendors and particularly encourage MBE/WBE businesses to participate in this opportunity.

Please submit your best and most competitive bid at your earliest convenience.
