

DLA Energy – Bulk Petroleum Products

Domestic Transportation Support Services

PRESOLICITATION NOTICE

DLA Energy – Bulk Petroleum Products Domestic Transportation Support Services Solicitation Number: SPE602-27-R-07XX

1. INTRODUCTION & AUTHORITY: This pre-solicitation notice is issued in accordance with FAR 5.101, *Pre-solicitation notice*, to notify industry of the Government's intent to issue a competitive solicitation for Domestic Transportation Support Services. This pre-solicitation notice is associated with Sources Sought Notice (SSN) SPE602-26-R- Domestic JAA Transportation Services published to SAM.gov on June 17, 2026.

2. DESCRIPTION OF REQUIREMENT: Defense Logistics Agency (DLA) Energy has a requirement to transport Turbine Fuel, Aviation (JAA) (U.S. Government Furnished Product) from designated Defense Fuel Support Point(s) (DFSPs) to designated Forward Support Bases (FSBs) via tank truck for delivery into tactical bags, trucks, and/or tanks within the Continental U.S. (CONUS). When directed by DLA Energy, the resultant contract shall support regional/national emergencies. The Contractor shall provide rapid deployment and delivery of JAA 24 hours a day/7 day a week upon receipt of task orders.

3. OPERATIONAL DETAILS

(i) Description of Supplies or Services

The Defense Logistics Agency (DLA) Energy intends to solicit contractor-provided transportation support services for the movement and delivery of JAA aviation fuel utilizing contractor-furnished trucks, and related equipment. The requirements include cleaning and inspection compliance, delivery coordination, loading and offloading support, shipping documentation, and associated logistics management necessary to transport fuel.

(ii) Award Procedures and Anticipated Award

The Government intends to issue a competitive solicitation and award a contract to the responsible offeror whose proposal represents the best value to the Government. Best value will be determined in accordance with FAR 15.103-1, *Tradeoff Approach*, based on the evaluation factors identified in the solicitation.

(iii) Trade Agreements Notice (If Applicable)

Not applicable.

4. CONTRACT TYPE & COMPETITION

Acquisition Strategy

Basis of award: Best Value Tradeoff (Technical, Past Performance, Socioeconomic, and Price).
